Elk licenses are awarded to hunters using a random weighted drawing system that began in 2003. Hunters earn one additional "chance" for future drawings each year they apply for an elk license and are not selected. Applicants had a maximum of 12 chances in the 2014 elk drawing - one for their current-year application plus any chances earned from 2003 - 2013.

## Any-Elk Licenses

**All eligible applicants are included in the drawing for Any-Elk licenses.** Hunters selected for an Any-Elk license may harvest either a bull elk or an antlerless elk.
